

### **Return guidelines / steps for multi-panel Canvas Prints**

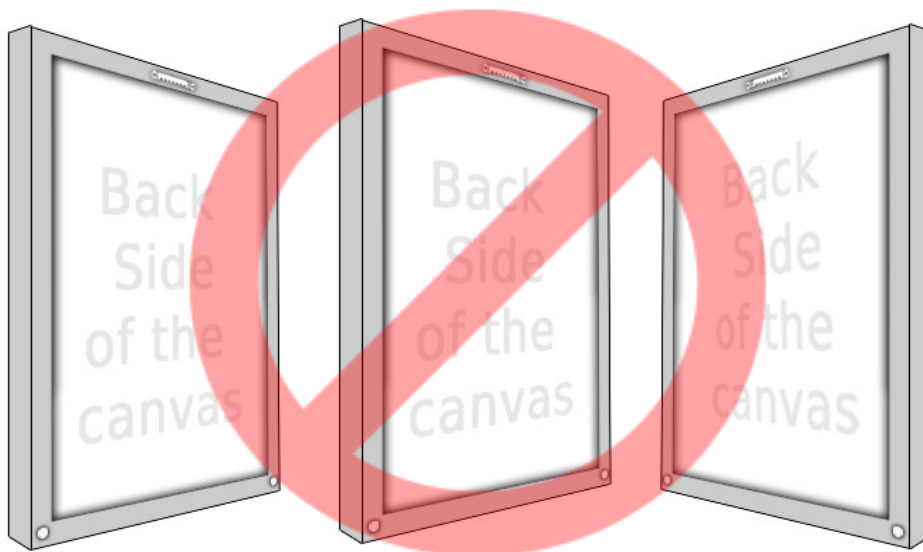

1. Tightly wrap individual panels in wrapping paper
2. Ensure that the panels face each other as shown in the illustration below.
3. If a bubble wrap is available, wrap all panels together in bubble wrap.
4. Insert the bubble-wrapped prints into the shipping box.
5. If a return label is provided, attach the return label on the largest side of the box.

#### **Correct way for Step 2**

#### **Incorrect way of for Step 2**

**The back side of any panel must not face the front side of another**

If the canvases get damaged during return shipment because of failure to follow the above guidelines, part or all of the refund may be withheld.
